Fluency Foundations: Workshop on Mastering Communicative English Skills

PG Department of English

09th May 2024

Fluency Foundations: A Workshop on Mastering Communicative English Skills was held on 9th May 2024 at Najath College of Science and Technology, organized by the PG Department of English. The session, led by Ms. Haneena and Ms. Athira, faculty members from Matglober Academy of Languages, aimed to improve students' spoken English, pronunciation, listening comprehension, and public speaking skills. The workshop focused on practical communication techniques that students can apply in academic and professional settings. It began with an introduction to the significance of effective communication, followed by exercises on pronunciation, intonation, and stress patterns to improve clarity in speech. Students participated in interactive activities such as role-playing, group discussions, and debates, allowing them to practice speaking in real-life contexts and receive peer feedback. Listening comprehension exercises were also conducted, helping students enhance their ability to understand and respond to spoken English. Public speaking and presentation skills were emphasized, with students practicing short speeches to build confidence. By the end of the session, students showed improved fluency, confidence, and clarity in their communication. The workshop was well-received, with students expressing a desire for more similar sessions in the future, contributing significantly to their academic and professional growth.
